This Olympian's big race
was not for a medal,
but for her **mental health.**

Suzy Favor Hamilton

U.S. Middle Distance Runner
1992, 1996, 2000 Olympics

Like many with mental health issues, **Suzy Favor Hamilton** found herself racing to stay ahead of trouble and to find grace in her life.

Come hear her story, featured on ABC's 20/20 and in *People* Magazine, and support the one in every five people who race to grace every day.

Tickets for our Spring Benefit may be purchased at www.namiccns.org or by calling 847-716-2252.
