NAMI CCNS Cordially Invites You To:

“Ask the Psychiatrist Your Questions About Mental Illness”

Meet **John Zajecka, M.D.**, an expert in novel treatment approaches for bipolar disorder, depression, and anxiety disorders. Dr Zajecka, Professor of Psychiatry and Director of the Depression Treatment and Research Center at Rush University Medical Center, has conducted research and authored numerous publications about these illnesses.

He has published extensively on diagnosis, novel treatment approaches, and long-term outcomes in affective disorders, with a special interest in treatment resistant illness.

Come prepared to ask him your questions about mental illnesses.
